A BIT OF HISTORY ABOUT EASTHAM

Welcome to our town! Eastham is located on the lower part of the Cape, bounded by Cape Cod Bay to the West and the Atlantic Ocean to the East.

Eastham was settled in 1644 by Pilgrims who had been dissatisfied with the poor soil and small land grants accorded them in the colony of Plymouth, across the bay. Before Eastham became an established town in 1651, it had been part of the Nauset Indian Territory. We have many streets and ponds named after prominent Chiefs of the Territory.

"First Encounter Beach" on the bayside was so named for a hunting expedition made up of men from the Mayflower—their sturdy ship had dropped anchor in Cape Cod Bay, and as the men came ashore they first encountered Indians. Fortunately, it was a friendly meeting!

As one drives through Eastham (on Route 6), the Grist Mill is much in evidence directly across from the Town Hall. Built around 1793 in Plymouth, it had been ferried across the bay to Provincetown and finally arrived in Eastham in the 1800s. Today it is the oldest wind-driven grist mill on the Cape. In a small cemetery not far from the Grist Mill, called the Cove Cemetery, three of the original Mayflower passengers are buried.

A third of Eastham is "the gate" to the National Seashore—which was created in the 1960s to protect the coastline from random construction and to preserve its dunes and shores from wind and surf erosion. Where the National Seashore's Visitor Center now stands, with its magnificent view of the Salt Pond below and the Atlantic Ocean beyond, once had been an eighteen hole golf course. The beautiful view must have been a bit of a distraction to the players!

Just opposite the Visitor Center is the Old Schoolhouse Museum. Dating back to 1869, it had been a one-room schoolhouse for the town of Eastham, with one entrance for the boys and one entrance for the girls. Painted yellow, it is very easily seen and outside the school a pair of whale jawbones prominently displayed, huge and white in color, seem to be on guard.

Eastham is fortunate in having two ocean beaches, Coast Guard Beach and Nauset Light Beach. Located adjacent to the beach is the Nauset Lighthouse, sister to the lighthouse in Chatham. This one, dismantled in Chatham and rebuilt in 1923 at Nauset Beach, is a favorite of photographers.

One of Eastham's earlier prominent residents was Edward Penniman, captain of several whaling vessels. He'd put to sea at an early age, but upon retirement returned to Eastham. In 1876 he built a massive yellow Victorian house on a knoll overlooking the Atlantic Ocean in the Fort Hill section of Eastham. This area is now included in the National Seashore and many of the artifacts Penniman brought for his home are now on display at the Visitor Center Museum.

Eastham enjoyed an incidental "claim to fame" from the ending of the 19th century until the 1920s, as "The Asparagus Capital." Its sandy fields provided excellent growing conditions for crops to be sent to markets in Boston and New York.

Hopefully, this brief historical account of Eastham will give you a favorable impression of our interesting town.

Please drive SLOWLY through our town. OBEY THE SPEED LIMIT.

TOWN RULES AND REGULATIONS ON:

SHELLFISHING

Permits are required for all shellfishing and taking of worms and are available at the Natural Resources Dept. office. Salt Pond and Salt Pond River are open Sundays only—the schedule of tides is available when you obtain your permit. Other shellfishing areas are open daily from one-half hour before sunrise to one-half hour after sunset. Areas which are closed to shellfishing and a complete list of shellfishing regulations are available at the Department of Public Works/Natural Resources Facility on Old Orchard Road.

MOTOR BOATS

Motor boats used on fresh water ponds are subject to annual inspection. Inspection Sat. 9:00AM to noon at the Natural Resources Dept. Maximum horsepower, 3, except Great Pond, 50. Waterskiing on Great Pond **only** on even numbered days. A "spotter" is required for boats towing a skier. Jet skis are not permitted on fresh water ponds. Other regulations posted at Great Pond.

MOORINGS

All moorings shall be registered annually with the Natural Resources Department. Applications for mooring permits and a complete set of regulations are available at the Department of Public Works/Natural Resources Facility.

OFF-ROAD VEHICLES

No off-road use permitted on Eastham beaches including the National Seashore.

BEACH PARKING

Stickers or daily rates apply for parking at Town-owned beaches on Cape Cod Bay or fresh water ponds. Daily fees may be paid directly at the beach. Stickers are available at the Department of Public Works/Natural Resources Facility 9AM to 4PM Mon. – Sat. from Memorial Day weekend through Labor Day weekend.

BEACH REGULATIONS

Beach officials must be obeyed in the enforcement of the beach rules and regulations including the following:

1. Alcoholic beverages are not permitted on beaches or parking lots at any time.
2. Littering or discarding refuse on the beaches or landings is prohibited. No household garbage shall be deposited in beach receptacles.
3. Beach parties after 7PM require a permit obtained from the Chief of Police.
4. NO DOGS allowed on any town beach during the summer season.
5. Picking of marsh plants and other vegetation is prohibited.

A complete list of beach regulations is available from the beach attendants, at the Town Hall or at the Department of Public Works/Natural Resources Facility.

LANDFILL AREA (Old Orchard Road)

Stickers or coupons available at the Department of Public Works/Natural Resources Facility 9AM to 4PM, Mon. – Sat. from Memorial Day weekend through Labor Day weekend. Other times they may be obtained at the Landfill. Landfill is open five days a week Sat. – Wed., excluding holidays, 7:30AM to 4PM. Recycling is required for glass, newspapers, tin, compost, and encouraged for motor oil.

SALT POND – EASTHAM 1994

Due to the uncertainty of tidal conditions in Nauset Marsh and Salt Pond, the digging schedule will not be determined until Spring of 1994. Since this publication is printed before the winter storms are experienced, we are unable to list the tides. A complete tide chart and Salt Pond Schedule will be available at Natural Resources Department, Town Hall, Library and Cape Cod National Seashore Visitor Center.

The Eastham Conservation Foundation

The Eastham Conservation Foundation, Inc. is a private, non-profit organization established in recognition of a need for balance between the use and enjoyment of this wonderful area and protection of the very habitats which make it attractive. Among other things, the Foundation's purpose is to assist the Town and its inhabitants in the preservation and maintenance of various types of wetlands and open space, areas of historical, scientific or geological significance, and to hold or otherwise acquire parcels of property for such purposes. The Foundation currently holds or protects through conservation restriction over one hundred and thirty-five acres of open space in perpetuity. We are a member of The Compact of Cape Cod Conservation Trusts, Inc., a regional group of land trusts dedicated to the same goals.

The Eastham Almanac Calendar is an annual publication of the Foundation which provides local tides and other almanac information specifically calculated for our exact location on the planet, together with historical photographs. We rely entirely on our membership for funding—you are welcome. You may obtain a calendar with membership information at local stores, or by writing to us at P.O. Box 183, Eastham, MA 02642.

WINDMILL WEEKEND

Eastham's Windmill Weekend is a community festival, a fair, and a family party all rolled into one. It is held annually on the weekend following Labor Day.

The Weekend's planning committee has become something of a port of entry for newly retired residents interested in finding a way to integrate quickly into the community and to have fun and do something useful at the same time. Volunteers are a mix of people with a long history in Eastham and those looking to acquire one.

Windmill Weekend is a continuous string of events held on Windmill Green in Eastham center and at various other locations around town. It includes a sand art competition, road races, band concerts, an arts and crafts show, a tricycle race, and square dancing. Interspersed with hometown entertainment are performances by professional dancers, comedians, and musicians.

One highlight is public recognition as Windmill Honorees of one or more Eastham citizens who have demonstrated unusual dedication to the town through volunteer activities. Excitement peaks with Sunday's parade, developed each year around a popular theme.

EASTHAM COUNCIL ON AGING

255-6164

The Eastham Council represents all residents who have reached the age of 59, approximately 1,800 at this time. This Town department operates from the Senior Center, 1405 Nauset Road, Monday through Friday between 8 a.m. and 4 p.m.

The Council on Aging is a service and advocacy agency providing the following: health clinics, outreach, congregate and home-delivered meals, exercise opportunities, legal and financial advice, arts and crafts sessions, health insurance counseling, and educational seminars.

The Council also operates the Lower Cape Adult Day Center (255-6734) located on the ground level of the Senior Center. The Day Center is open Monday through Thursday; new clients are always welcome.

EASTHAM FORUM

The Eastham Forum is a citizen's advocacy group, now entering its tenth year, with a membership of 450. Its goals are preservation and enhancement of the quality of life in Eastham through positive action and citizen involvement in local, regional and Cape-wide issues and Town government. Activities that encourage involvement of the membership include research, education, sponsorship of public meetings, a quarterly newsletter (*Forum Notes*), and positive, organized action on issues of concern for Eastham.

The most visible example of this positive action for Town improvement is the planning, planting and maintenance of EFFT's (Eastham Forum Flower Islands) at various roadway intersections around Eastham and at Town Hall. These efforts are supported by donations and funds obtained by collecting and redeeming beverage cans and bottles. Annual dues are \$10.00. For further information, write Eastham Forum, P.O. Box 516, Eastham, MA 02642, or call (508) 240-1535.

A VISIT TO GIGI POTTERY

If you turn off the road on Route 6, North Eastham near the Wellfleet line at the red and white Pottery sign, and drive down Gigi Lane for about 100 yards, you will be richly rewarded for your adventurous spirit. You will find yourself at Gigi Pottery where you are warmly welcomed by artist-potter Bernie Epstein, who is also part philosopher, teacher, chemist, geologist, and friend. Bernie will invite you to look around, touch, and ask questions. Time appears to stand still as Epstein quietly and determinedly plies his millennium-old craft in a carefree ambience of clay, utensils, pots, and glazes.

On a recent visit to Gigi Pottery, Bernie was found carefully carving imported bamboo handles for a freshly fired tea pot. Within a few minutes a car with four children and two adults drove up to the workshop. As soon as Epstein saw the children his eyes lit up, the pottery wheel began to spin, and a lump of clay almost magically became a graceful vase as the children watched spellbound.

A look around the pottery shop reveals a charming variety of pottery... all shapes, sizes, colors and prices. Casseroles, mugs, honey jars, pie plates, chowder bowls, goblets, pitchers, planters, mirrors, clocks, candelabras, and sculptures artfully line the shelves, walls, and entrance way of Gigi Pottery.

Epstein explained that all of his pottery is made of either stoneware or porcelain. Porcelain is a pure white clay that has not been mixed with minerals, whereas stoneware is a variety of clay and minerals.

Epstein is especially proud of his "Chinese red" glazes for which he is well known off Cape Cod as well as on Cape.

As Epstein was explaining how he combines Nauset Beach sand and decomposed granite with his clay to obtain special effects, another car pulled up and a young couple greeted Bernie with a warm, "Hello, we have come back to see your watercolors." They walked out of the shop with their purchases of a painting and mugs, and a farewell of, "See you again next year... we wouldn't leave the Cape without a visit to Gigi Pottery."

Cape Cod

THE CAPE COD BIKE TRAIL

The Cape Cod Bike Trail provides an opportunity for bicyclists and hikers to enjoy a very special encounter with Cape Cod's charm and beauty. The Trail follows the route of the old Penn Central Railway tracks. Today the tracks and ties are gone, but the remarkably picturesque scenery remains.

Within and around the Trail are heavily wooded forests, lakes and quiet kettle ponds; salt marshes, winding creeks and sandy beaches. Just off the the Trail side trips offer ocean beaches and fishing piers, country stores and quaint villages; parks, picnic areas, places to lodge and places to dine. Whether you are walking or biking, the Trail is an enjoyable and fulfilling way to experience Cape Cod at its very best.

THE EASTHAM WINDMILL

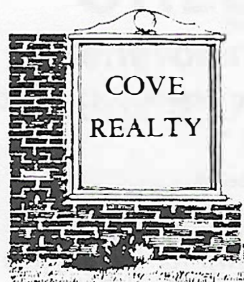

*"Back of the loaf is the snowy flour,
And back of the flour the mill,
And back of the mill is the wheat and the shower,
And the sun and the Father's will."*

Maltbie Davenport Babcock

To the early settlers all over New England mills were of great importance. This was especially true on Cape Cod, known for many years as the "breadbasket of Plimoth." Tide mills, water mills and, in particular, wind mills proliferated on Cape Cod. Millwrights were scarce and records of their work scarcer yet. The first known wind mill was built in Watertown in the 1630s, a post mill, it was moved to Boston neck after only a few years. Eastham's windmill is a smock mill of an English/French style most probably built by Thomas Paine (of Eastham) in the early 1680s. He was active at that period, building mills in Barnstable, Sandwich, Eastham and other parts. Our mill is believed by local legend to have been built in Plymouth at that time and subsequently moved to Truro (1770s) and once again in 1793 to Eastham. Ed Milliken, who did extensive restoration in the 1960s found evidence that the mill has indeed been dismantled twice.

The mill was moved to its present site about 1808 when the miller, Seth Knowles, sold the land by the Salt Pond where the mill was located and removed the mill, without dismantling it, to its present site. As a comment, the Eastham Windmill is the only Cape Cod windmill still on a working site, the others all having been moved in order to preserve them. The windmill green was where local farmers came for grist and meal and whatever local gossip or news was to be had. Today's visitors get gossip, news, stories, meal; and, thanks to the generosity of many people who love Eastham, our mill is restored and back in good working order. With care the old mill will provide a focus for many more generations of Eastham residents and their visitors. Open 10 a.m.-5 p.m in the summer.

THE CAPE COD NATIONAL SEASHORE

President John F. Kennedy signed a bill on August 7, 1961 making the Cape Cod National Seashore a reality. The Seashore includes approximately 27,000 acres of uplands in six towns—Chatham, Orleans, EASTHAM, Wellfleet, Truro, and Provincetown. The work of the Cape Cod National Seashore involves conservation and preservation of the magnificent natural surroundings of the Cape as well as highlighting certain natural and historical sites for the enjoyment of visitors. The Cape Cod National Seashore offers visitors approximately 30 miles of the finest seashore on the Atlantic Coast.

SALT POND VISITOR CENTER, Eastham, located off Route 6, is the nucleus of the National Seashore and offers an orientation film, exhibits on Cape Cod human and natural history, and a bookstore. For current information call: 255-3421.

A Variety of Unique Features of the Seashore in Eastham Includes:

Walking—Self-guiding trails include Nauset Marsh, Buttonbush (special text in braille), Fort Hill (a favorite for bird watchers and nature photographers) and the Red Maple Swamp. Park trails in several locations have been surfaced to accommodate wheelchairs. These include the Doane Rock area which contains a 1/2 mile loop trail and accessible restrooms and picnic sites.

Biking—A beautiful bike path from the Salt Pond Visitor Center directly to Coast Guard Beach.

Historic Features—Penniman House, Indian Rock, Doane Homesite, Nauset Light, and Three Sisters Lighthouses.

Overlooks—Fort Hill, Salt Pond Visitor Center and Nauset Light Beach.

BEACHES—**Coast Guard Beach**—off Route 6 at the Salt Pond Visitor Center—follow Nauset Road and Doane Road to the beach. (Parking during the summer season is nearby the beach and accessible via shuttle bus, trail or bike.) **Nauset Light Beach**—off Route 6, turn right onto Brackett Road and follow Cable Road to the beach. Both have swimming areas with lifeguards on duty during the summer season.

Programs—Day and evening programs are available in the summer and on a reduced schedule the remaining part of the year at the Salt Pond Visitor Center.

Many park facilities and services are accessible to disabled visitors. Inquire at Salt Pond Visitor Center for details, or call 255-3421

EASTHAM MUSEUMS

THE OLD SCHOOLHOUSE MUSEUM is located on Nauset Road across from the Cape Cod National Seashore Visitor Center. It is housed in a one-room schoolhouse built in 1869. The remaining one of the three schoolhouses consolidated on that site in 1906 and it served the town until 1936. The museum displays objects from various facets of the town's history including farming, shipwrecks, the Life Saving Service, the school and daily life in the town. It is open during July and August, Monday through Friday from 1:00 to 4:00 p.m. Admission is free.

THE SWIFT-DALEY HOUSE is located on Route 6 next to the Post Office. Built in 1741, its bowed roof is typical of early houses built by ship's carpenters. The wide board floors, deep kitchen fireplace and narrow stairways are other features of 18th century houses. The house is completely furnished, and its collections include examples of period clothing, china, Indian artifacts, quilts and household equipment. It is open during July and August, Monday through Friday from 1:00 to 4:00 p.m. Admission is free.

THE TOOL MUSEUM is located behind the Swift-Daley House. It displays hundreds of tools, many unusual and unique to this part of the country. Open during July and August, Monday through Friday from 1:00 to 4:00 p.m. Admission is free.

THE EASTHAM HISTORICAL SOCIETY

Eastham is one of the oldest towns in the Commonwealth. Three 'Old Comers', or passengers on the Mayflower, were among its earliest families. Founded in 1953 to preserve that long and varied history and its artifacts, the Society acquired historically important collections through the generosity of Eastham residents and visitors. These collections are housed in the three museums described above. All are open to the public during summer months.

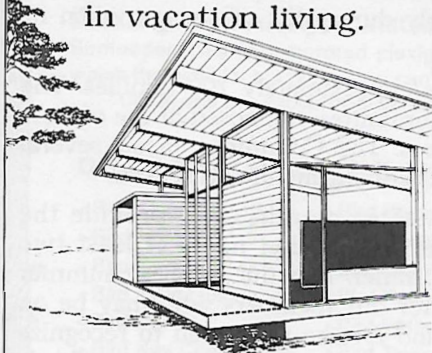

The Society also conducts an active year-round program—a summer book sale, an antique show, a Christmas sing on the Windmill Green (co-sponsored with the Friends of the Eastham Public Library), a bi-monthly, lecture series, and a quarterly newsletter.

Publications include the Cape Cod Library of History and Genealogy, Alice Lowe's history of Eastham and two Cemetery Books which give a complete, indexed listing of all the graves in Eastham's four cemeteries—Evergreen, Congregational and Soldiers, Bridge Road, and Cove Burying Ground.

Membership applications (\$5/year, \$7/year family) may be obtained by writing to Box 8, Eastham, MA 02642, or by calling 255-1766.

EASTHAM NON-RESIDENT TAXPAYERS ASSOCIATION, INC.

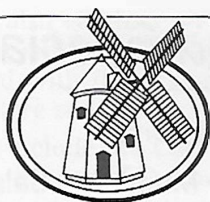

The Eastham Non-Resident Taxpayers Association was organized over 35 years ago and incorporated in 1973. The purpose of the Association is "to work for the betterment of the whole community of the Town of Eastham" while attempting to keep its membership informed on what is happening in Eastham, particularly during the off-season when its membership is off-Cape.

The membership this past year was approximately 700 families. The group is governed by an Executive Committee composed of the officers and members of a Board of Directors. The Committee meets several times during the summer and on occasion during the off-season.

The major operation during the winter months is to provide the membership with newsletters. The Association holds at least two membership meetings during the summer. It is during these summer meetings that we make it possible for our members who may be on Cape to meet with our selectmen and for the selectmen to recognize that the group speaks for so many of the non-resident taxpayers. This is just about the only voice the non-resident taxpayers have as we are unable to vote in spite of the fact that we do pay an estimated 70 percent of the operating cost of running the town.

Among the concerns of the group over the years have been water quality, zoning by-law changes, proposed golf course, traffic, landfill problems, and those concerning the trash transfer station and SEMASS, the building moratorium, bike path extension, Horton property purchase 2½% override, windmill restoration, tax problems and Title V.

All non-resident taxpayers in the Town of Eastham are invited to join us. The annual dues are \$10.00 per family and contact may be made by writing us at P.O. Box 772, Eastham, MA 02642.

In 1954 Joe Poitras and his son, Norman, came to the Cape and built a Drive-in Restaurant. Cape Cod was still in its infancy. They gambled things would grow, and they won big. Never in their wildest dreams did they think the Cape and their little fast food joint would grow to what it is today. Many places have come since then, and many places have gone. But now, 41 years later, **Poit's Place** is still here, and still run by the Poitras Family. They must be doing something right!

*"For a drink and a bite, Poit's Place will always be just right!
It's where old friends greet and new friends meet."*
